

ANDRE BUTANO

CHILE

BIOGRAPHY

Born in Santiago de Chile , Andre Butano originally came from the world of gastronomy. As we all know, the worlds of food and music are tightly intertwined. This meant that, as he was working as a chef for some of Santiago's finest restaurants he began cultivating a deep love for music and sound.

Initially inspired by artists such as Depeche Mode, New Order, Orbital and Kraftwerk, his palate quickly evolved. Now Andre admires producers like Ricardo Villalobos, Luciano, Zip, Derrick Carter, Brett Johnson, and Dj Sneak among many others.

Owner of the new label Cachai Music , Vinyl and Digital. Butano quickly established himself as a talent of Chile's underground house scene. His style was very much appreciated as his sets were always directed towards groovy house and tech-house sounds, supported by uplifting percussions and organic melodies. The trademark that made him famous was the use of his own vocal tracks recorded specifically for each occasion. These would often comment on specific things unique to Chile's scene and were very popular amongst club-goers.

His productions have been released all over the world on labels such as 8Bit, Cadenza lab, Kling Klong, Circus Recording, Highgrade, Robsoul, Trapez, Bla Bla, Resopal, Ama, Cyclic, Memoria, Oblack, Novo Music, Time has change, Brise, Wrong State, for name a few and by Chilean labels like his own label Cachai , other s like Drumma and Melisma . His tracks are being played by some of the best Djs of the circuit like Luciano, Marco Carola, DJ Sneak, MANDY, Mathias Kaden, Dubfire, Nick Curly, Gorge, Reboot, Richie Hatwin, Karotte, Laurent Garnier, Audiofly, among others.

He is currently the resident DJ of La Feria, Chile's most respected establishment for electronic music and a regular part of any respected line-up in the country. This has lead him to share stages with some of the best visiting talent like Luciano, Ricardo Villalobos, Danny Tenaglia, Reboot, Richie Hawtin, Dubfire, Steve Lawler, Dj Sneak, Michael Mayer, Karotte and many more.

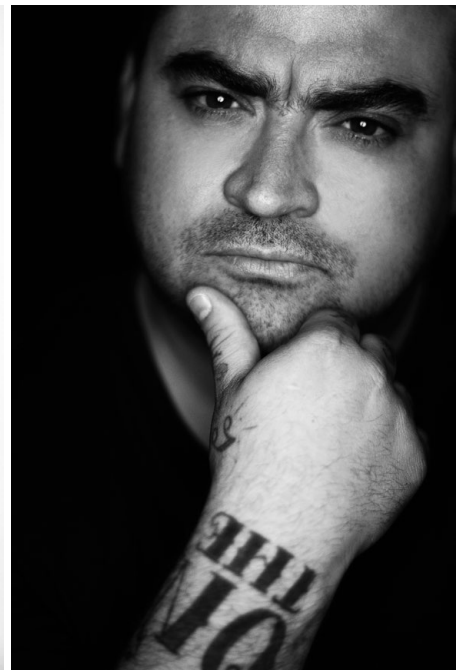

His career has also lead him to play all around South America and he is a fixture of some of the main festivals such as Creamfields, Mysteryland and Ultra Festival. This year Andre was invited again to participate in Vagabundos and always in his European tour having played in some of the best clubs in the world Pacha ibiza, Ushuaia ibiza, Boom ibiza, Destino Pacha, Sankeys ibiza, Sonar Bcn, Macarena bcn Macarena Mar bcn, Bloc bcn, Cityhall bcn, Studio 80 Amsterdam, Rootzoo fest Amsterdam, Chalet (berlin) Club Der Visionare (berlin), Egg London (London).
